

ESTES PARK HEALTH

Estes Park Health Employment, Volunteer, & Application Guidelines

The initial process of reviewing applications may take up to three weeks. If you are not selected for an interview, you may continue to apply for open positions that meet your qualifications; you will be required to fill out separate applications for each position for which you are applying.

Estes Park Health encourages individual achievement and neither the employee nor the employer is committed to an employment relationship for a fixed period of time. Employment with Estes Park Health is at-will.

For your consideration:

- Estes Park Health (EPH) prohibits tobacco use by anyone (employees, volunteers, medical staff, contract staff, vendors, patients and visitors) on this campus or any property owned or leased by EPH.
- Applicants who fail to fill out a complete application will not be considered for employment.
- Applicants who do not meet the minimum job requirements will not be considered for employment.
