

555 Prospect Avenue
Estes Park, Colorado 80517
(970) 577-4470

Due to circumstances beyond the Hospital District's control, you may not have received your ballot for the May 8, 2018, Park Hospital District Board of Directors' election as of May 3, 2018. This situation is beyond the Hospital District's control, but the District does strongly believe that every eligible elector is entitled, and should be encouraged, to vote in this very important election. To that end, if you have not received your ballot by Monday, May 7th, please come to the Administration office at EPMC between 8:00 a.m. and 4:30 p.m. and pick up a replacement ballot, and your completed ballot can be dropped in the drop-off box located in the lobby.

If, however, you are not able to physically come in to the office, please contact Julie Yaden at 970-577-4470, and a representative will come to your residence with a replacement ballot for you to complete. The completed, sealed ballot will be then be returned to the official drop-off box located at the Medical Center.

On election day, Tuesday May 8th, the drop-off box located in the EPMC lobby will be accessible from 7:00 a.m. until 7:00 p.m.
