RE: Mail Ballot Arrival for 05/08/18 Board of Directors Election
FROM: Julie Yaden, Designated Election Official
DATE: April 30, 2018

Park Hospital District Eligible Electors: As there is quite a bit of concern in the community regarding the fact that the mail ballots have not yet arrived for the upcoming election, I wanted to provide an update. I have spoken with the printers, who are located in California – the ballots were mailed April 23rd via USPS Regular mail. The ballots should be arriving very soon and in time for the election. Thank you!

Sincerely,

Julie Yaden
