

Candidate: Eric Owen

Narrative: Resident of Estes Park for 9 years purchasing my own home in Estes Park four years ago. I am very familiar with the town of Estes Park, the Hospital. I have both medical and financial background which will help me be a very valuable board member for Estes Park Health.

Receiving a BS in Education from Radford University and another BS degree in Nursing from Shenandoah University in VA. I have served on the Ethics Committee for several years at a hospital where I was employed.

I hold active nursing licenses in both Colorado and California. I currently run a private practice in private duty nursing care and hospice in Estes Park.

I am invested in the community and our hospital is a vital function of Estes Park both in quality care and jobs. The current board's transparency policy is inadequate and needs to be improved. I pledge to do that.

Thank you for your time, consideration and your vote. I will do my best to serve the community and the hospital ethically and transparently.
